Colorado Fall Home Show Ticket Proceeds to Support Red Cross Relief Efforts for Fourmile Canyon Fire

\$2.00 from every ticket sale will aid Boulder County fire victims who have lost their homes

DENVER, September 9, 2010 - The Colorado Fall Home Show (presented by Colorado Garden Show Inc.), running this weekend (Sept. 10 – 12) at the Colorado Convention Center, announced it will donate \$2.00 of every ticket sale to the Colorado Red Cross to help with relief efforts for the wildfire near Boulder.

“Colorado Garden Show has always had a clear mission of philanthropy, extending grants and scholarships to Colorado organizations since the 1970’s,” said Jim Fricke, director of Colorado Garden Show, Inc. “When we realized that so many of our neighbors were losing their homes to the worst fire in Colorado’s history – during the same week of the Colorado Fall Home Show – we had to do our part. We are honored to help the victims of the Fourmile Canyon fire through our assistance to the Colorado Red Cross.”

Show Hours and Admission

Friday and Saturday: 10:00 a.m. – 8:00 p.m.; Sunday 10:00 a.m. – 5:00 p.m.

- General Admission \$12
- Senior Ticket (at the door) \$10
- Children 12 and under Free

In addition to the planned assistance to the Colorado Red Cross, Colorado Garden Show, Inc. has awarded a record-breaking amount of more than \$600,000 in horticulture-related grant projects and scholarships for 2010 – 2011. This includes grants to more than 42 organizations reaching 23 Colorado communities; two major grants for \$100,000 to two organizations; and six substantial scholarships, including a four-year, full-ride scholarship to Colorado State University. Since the 1970s, Colorado Garden Show has awarded more than \$3.5 million for horticultural projects and scholarships throughout the state.

The Colorado Fall Home Show features more than 250 companies that focus on home renovation, remodeling and sustainable living. Shop the marketplace to prepare your home for fall and winter; Explore the advantages of sustainable living - discover the latest green zone products and services to create an energy efficient lifestyle; Visit the demonstration stage with sessions focused on sustainability, energy efficiency, interior design and remodeling.
